

St. Francis was called the “Herald of the Great King”. He had a message to give. You, too, have a message to give as a minister to God’s people by becoming a Retreat Promoter. As a Retreat Promoter, you minister to God’s people by inviting friends, neighbors, relatives, co-workers, or any interested person to come make a retreat.

Joy is your reward when you hear that God had, in some way, touched the life of that “special someone” you invited to step back, pray, and make a retreat.

We have been told St. Francis Retreat House is the best kept secret in the Lehigh Valley. This is one secret you can tell someone.

Will you, too, be a “Herald of the Great King”?
